Declaration of Originality & Academic Integrity

Individual Practical Assignment 2 — Mobile Application Development (SWE 3409)

> **Formal Student Affirmation:**
> I hereby declare that this submission, titled **MahgoubPortfolio**, represents my own individual and original practical work completed in fulfillment of SWE 3409 at Institut d'Enseignement Supérieur de Ruhengeri (INES-Ruhengeri).

1. Verification and Student Records

Academic Record	Attested Detail
Full Student Name	Mahgoub Adil Ahmed Alhassan
Student Registration Number	25/28013
Verification Code	MOB-A2-8013 (Displayed in App & Handwritten Demo Card)
Application Name	MahgoubPortfolio
Android Package Identifier	rw.ac.ines.ug2528013.mahgoubportfolio
GitHub Repository URL	https://github.com/mahgoubalhassan2-tec/MOB_A2_2528013

2. Attestation of Independent Development

I confirm that:

- All application architecture, component implementations, state persistence flows, and responsive UI layouts were created by me.
- The projects documented in the portfolio (*INES Campus Attendance Tracker* and *Musanze AgriPrice Hub*) reflect genuine student engineering initiatives.
- No unacknowledged code, starter kits, or identical classmate submissions have been utilized.
- External tools, frameworks, and AI-assisted scoping have been transparently disclosed in `evidence/AI_USE.md`.
